Hold a Big Jubilee Lunch

On 5th June, communities are invited to come together for The Big Jubilee Lunch and people in Bolton have organised over 120.

Safe events of all shapes and sizes are encouraged in a way that works best for your community. Some ideas include getting together with neighbours to watch the Platinum Pageant on television, having a cuppa or organising a Big Lunch gathering.

Always carefully consider how you can minimise risks at your street party too, make sure everyone enjoys the event and stays safe by taking personal responsibility for themselves and their children and dependents. We would advise you also consider taking out relevant public liability insurance.

The Food Standards Agency has some very useful help on making sure the [food at your street party](#) is safe.

Plant a tree for the Jubilee

The Queen's Green Canopy (QGC) is a unique, UK-wide, tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022, by inviting people to "Plant a Tree for the Jubilee." Everyone from individuals to towns, villages, schools and companies are being invited to plant trees from October 2021 when the tree planting season begins, through to the end of the Jubilee year in 2022.

Many initiatives to plant trees in Bolton have already taken place.

The Queen's Green Canopy organisation is encouraging the planting of trees in a sustainable way and to create a legacy in honour of The Queen's reign and leadership, as well as inviting the planting of new trees, the QGC will dedicate a network of 70 Ancient Woodlands across the United Kingdom and identify 70 Ancient Trees to celebrate Her Majesty's 70 years of service.

All planting projects can be uploaded onto an interactive map on the QGC website so that everyone can share and inspire others, as well as creating a green canopy of projects to cover the country. The map is embedded within the QGC website.

Once you have planted your tree, you can mark the occasion with a virtual commemorative plaque.

Free trees

The Woodland Trust is giving away hundreds of thousands of trees to schools and communities. Applications for a November delivery will open in Spring 2022. Find out how to apply for your trees:

Bake a cake fit for a Queen

School children across Bolton are being asked to unleash their creativity and take part in cake design competitions to celebrate the Queen's Platinum Jubilee.

There are two competitions running; one is to design a cake based on the Jubilee theme and the second is for the best cupcake recipe.

Both competitions can be entered by individual pupils or class groups via their school.

Two internationally recognised creative cake designers – Rosie Cake Diva and Kaykes – will be on hand with top tips and advice throughout the competition as well as acting as our head judges.

Winners will get the chance to work with these leading cake designers to see their designs brought to life for Bolton's Food and Drink Festival this August.

And as if that wasn't enough, winning designers will also take home a Samsung tablet and get to see their competition entry in a limited-edition recipe book.

The competition closing date for entries is June 6 and entry forms are available from primary and secondary schools.
